Verse 1

It's not easy on my bed sheets
its not easy on my nerves
its not on my conscience
Its not easy on my soul } this is not what you wanted
what you wanted for me
I know that much no
My apologise
You may call me a harlot
you may call me a whore
But see I'm man now
I'm so much more

Chorus

But I got the heart of a hustler
with a hustlers pain
I got the heart of a hustler
With all the hustlers shame
I got the body of a lover
With a masochists brain
I've got the heart of hustler
I'm playing a dangerous games

Verse 2

The mind says no sire
But the body says please
The heart stays silent
Such a silent tease
And I don't know why I'm telling you this
Maybe I've gotta get it off my unholy chest
there's a road once travelled
But one I haven't walked down yet
And its calls my name
(it calls my name)
Yes it calls my name
it's a darker path
and it calls my name

But I got the heart of a hustler
with a hustlers pain
I got the heart of a hustler
With all the hustlers shame
I got the body of a lover

With a masochists brain
I've got the heart of hustler
I'm playing dangerous games

Chorus

But I got the heart of a hustler
with a hustlers pain
I got the heart of a hustler
With all the hustlers shame
I got the body of a lover
With a masochists brain
I've got the heart of hustler
I'm playing a dangerous games
I've got a hustlers heart X 10
