#### Verse 1

I really hate when you call me late at night.  
I didn't answer cuz I didn't wanna fight.  
Or hear you say things you don't mean,  
Drive my heart again down misery street

#### Chorus

Go ahead and arrange the flowers,  
And prepare my eulogy.  
Call my brothers to be my pall bearers  
Cuz what you did already buried me

#### Verse 2

When I think of you I get in my car,  
But I can never escape from where you are.  
I can't forget the words that you said  
The night you shot me in the heart and left me for dead

#### Bridge

Who am I kidding, I'll never be over you.  
Put me ten feet deep so I won't face the truth
