(INTRO)

I

My heart is painful, very painful, like it has fire on, that grills it more.

REFRAIN:

You're like a candle in the dark, if without you my life's dark.

II

Something in your eyes, it seems to be, you don't care for me, and that it Seems.

(REPEAT REFRAIN)

CHORUS:

Babe why do you leave me all alone, you know I'll be lonely without you,
You don't care for me anymore, I'm like a nocturne in the night.

III

I'm here in the dark, the bed to lie, it seems that I like, I like to die.

(REPEAT REFRAIN)

(REPEAT CHORUS)2X
