#### Verse 1

I ran into an old girlfriend of mine.  
She said "you're looking good, kinda looking fine,"  
"and I was thinking maybe after your show,  
We could go to my place and see where love goes."  
I looked at her and I said "Baby not tonight."  
She asked "Why?" and I said these words come to  
mind:

#### Chorus

Be gone evil woman.  
Don't come around here with your spell.  
Be gone evil woman.  
I don't like you in case you couldn't tell.

#### Verse 2

See that girl, she's standing over there.  
She's got the bluest eyes and longest, blondest hair.  
I can see the way she looks in her eyes  
As she kisses her lips and rubs around her thighs.  
I can tell by her face she's ready to go  
But tonight girl, tonight I gotta say no
