I

I tried to make a slope but I think love is the hardest
thing that we must scope,
Iniisip ko siya day by day sa tuwina I can't forget you in
so many ways.

Chorus:

Pero kahit anong gawin unti-unting nag mumultiply ang
feelings ko for you,
Talagang whatever I do it's just got to be you.

II

Ginawa ko lahat nga algebra at sinubukan ko ang
geometry formula,
Ginamit ko ang iba't-ibang chemicals, biglang
sumabog ang mga numerals.

Refrain:

Gumamit ako ng division, ipilit ko ring gumawa ng
subtraction,
Para wala na at maging zero ang equation.

(Repeat Chorus)...
