PLEASE COME BACK TO ME

BY:JOSEPH BULADAS

(INTRO)

I

Here I am to beg you back with me and we'll be going  
to start again,  
So please don't leave me,  
You are my heart and my everything if without you I will  
have nothing,  
So please don't leave me.

CHORUS:

To live without you, will make me lonely, wishing you're  
always be here,  
So please don't leave me, cause I want you, baby your  
my everything,  
Now and forever my dear.

II

I'll wish to god if I can have you, you'll never regret my  
love to you,  
So please don't leave me,  
You are my heart and my everything, if without you I  
will have nothing,  
So please don't leave me.

(CHORUS)

(CHORUS)3 SEMITONES HIGHER

CODA:
