Well it's late tonight, and I see the look in your eyes.
They light you up like a burning fire full of desire.
And I touch your face, and you move with grace.
And our lips collide in a burning ride with a warm
embrace.

I wanna taste your skin; I wanna be let in.
I wanna hold you and feel you like you've never been.
I wanna touch you there; I wanna kiss you here.
And maybe by the sunrise we'll both come... to our
senses.

Well I close my eyes but I open my heart
As the heat of the moment slowly tears our clothes
apart.
And we begin to move and I slowly surrender to
The beauty and seduction that embodies you.

(2x)I wanna taste your skin; I wanna be let in.
I wanna hold you and feel you like you've never been.
I wanna touch you there; I wanna kiss you here.
And maybe by the sunrise we'll both come... to our
senses.
