(INTRO)

I

Someday you will find, the way it's meant to be,
That lightning in the dark, you let it start,
Someday you will know, how can I let go,
The weaknesses I see, will make me free.

REFRAIN:

How will I get over, that our love was meant to be,
How can I make change, that your love will come to me.

CHORUS:

That lightning in the dark, you'll see just what it is,
That the truth had come to reveal,
That lightning in the dark, will just come to reveal,
The truth of what you are to me.

II

Someday you will know, how will I love you, that
lightning in the dark, will
Be your guide,
Someday you will know, what I feel for you, feeling of
what you feel,
Will be your sign.

(REPEAT REFRAIN)

(REPEAT CHORUS)

BRIDGE:

That lightning in the dark, will be used to seek the
truth,
Learn to fight for your self, and learn to know
everything,
Like the truth of what you are to me.

(REPEAT CHORUS)

the truth of what you are to me...
