(INTRO)

I

I hope this Christmas we'll be fine, in the promised
land,
It is the birthday of the Lord, our Lord Jesus Christ,
So let forgiveness will began, so war will be gone.

CHORUS:

We'll be together till the end, I hope we'll be one till the
end,
So we'll last forever, and for everything, everything this
Christmas you will
See.

II

And then you can see all the children, they are all
happy,
Receiving gifts from their Godparents, and also from
the Lord,
So let me help you build a house, of the good will side.
