(Verse 1)

I don't know why I'm here,
maybe because I think you're near,
And I still see your face,
but you're in a different place..
And I'm..

(Chorus x2)

Away from you,
my identity remains,
Away from you,
but I still feel this way,
Away from you,
and you're the one to blame,
Away from you,
away from you..

(Verse 2)

I don't know why I'm here,
maybe because I think you're near,
And I still see your face,
but you're in a different place..
Seems I can't find a way,
to say the things I want to say,
No matter what is said or done,
you'll always be a special someone,
But I'm..

(Chorus x2)
