(Verse 1)

Time can not erase the way I feel,  
I'm fine but I can't let you anywhere near,  
Last time I opened up and ended in tears and fear,  
that's why I made all of my thoughts disappear..  
It's better this way..

(Chorus)

and had a funeral,  
a funeral for my valentine,  
a funeral,  
I had a funeral for my valentine, yeah..  
It's better this way..

(Verse 2)

I've tried to be the best I could and be real,  
you lied but I can't destroy the way I feel,  
It's time for me to open up and reveal,  
what I would do to you, for using me..  
It's better this way..

(Chorus x2)

I'd have a funeral,  
a funeral for my valentine,  
a funeral,  
I'd have a funeral for my valentine, yeah..  
It's better this way..

(Bridge)

Go away..  
Stay away..  
Go away..  
Don't play with me..  
It's better this way..

(Chorus x2)

I'll have a funeral,  
a funeral for my valentine,  
a funeral,  
I'll have a funeral for my valentine, yeah..  
It's better this way..
