They're tiny and they're teeny,
Much smaller than a beany,
They never can be seeny,
The Atoms Family.
They are so small.
(snap,snap)
They're round like a ball.
(snap,snap)
They make up the air.
They're everywhere.
Can't see them all.
(snap,snap)
Together they make gases,
And liquids like molasses,

And all the solid masses,
The Atoms Family
Neutrons can be found,
Whee protons hang around;
Electrons they surround
The Atoms Family
They are so small.
(snap,snap)
They're round like a ball.
(snap,snap)
They make up the air.
(snap,snap)
They're everywhere.
Can't see them all.
(snap,snap)
