Hey her name is Abby Normal
She goes all wild
When she's hormonal

She walks the street in the middle of the night
In her heels and skirt so tight

She changes her men
Like she changes her shirts
She loves to play
So don't feel hurt

Hey her name is abby Normal
She goes all wild
When she's hormonal

All she wants
Is youth and love
But just can't get any above

She's toxes her lips
And lipos her hips
She teases her hair
And know what to wear

Hey her name is Abby Normal
She goes all wild
When she's hormonal

She walks the street in the middle of the night
In her heels and skirt so tight

All she wants is
Youth and love
But just can't get any above

She's toxes her lips
And lipos her hips
She teases her hair
And just know what to wear

Hey her name is abby normal
She goes all wild
When she's hormonal
