There is a secret, so sweet so true,  
Someone out there,  
Will say  
I love you

The stars are bright,  
The breeze is light  
You know it's soon  
Christmas night

You wait and wonder-  
Where is the magic of the snow  
Maybe a kiss under the mistletoe?

The table is set,  
The candles are lit,  
And you want to believe  
Just a little bit

The bells are ringing,  
The children are singing  
And wondering  
What Santa is bringing.

Let the year end nice and slow,  
Keep happy thoughts all aglow,  
There is no rush, there is no hurry,  
It's Christmas time, so please don't worry.

The stars are bright,  
The breeze is light  
You know it's soon  
Christmas night

You wait and wonder-  
Where is the magic of the snow  
Maybe a kiss under the mistletoe?

The table is set,  
The candles are lit,  
And you want to believe

Just a little bit
