Listening to the radio  
Driving down the coast road  
Singing along to my favourite song  
Reminds me where I'm coming from

Left my worries all behind  
I just feel like I'm wasting time  
You and I weren't meant forever  
Guess that's why where not together

Cranking up that sound  
Makes me smile when I'm down  
From sant-remo to Saint-Tropez  
I'm singing all the way

Listening to the radio  
Driving down the coast road  
Singing along to my favourite song  
Reminds me where I'm coming from

Listening to the radio  
Driving down the coast road  
Singing along to my favourite song  
Reminds me where I'm coming from

25 years ago I've tuned into this radio  
When you hear my song  
Feel free to sing along

Listening to the radio  
Driving down the coast road  
Singing along to my favourite song  
Reminds me where I'm coming from

Radio, radio, radio, radio

Cranking up that sound  
Makes me smile when I'm down  
From Sant-remo to Saint-Tropez  
I'm singing all the way

Listening to the radio  
Driving down the coast road  
Singing along to my favourite song  
Reminds me where I'm coming from

Listening to the radio  
Driving down the coast road  
Singing along to my favourite song  
Reminds me where I'm coming from
