When I saw your face
I became a prisoner of your eyes
And I would do most anything
To stay be with you

How did we go wrong?
I can't believe it's over
Tell me why it's happening?
Who threw it all away?

Chorus:
Don't you hear me crying?
Take me in your arms again!
Don't you hear me crying?
Take me in your arms again!
Bring back what I'm living for
You're all I'm thinkin' of
Take me home to paradise
Give me back your love

No-one takes the blame
You and I have wondered
We gave all we could to this
It's time to face the truth
Now we realize that all we had is over
Comes an end to everything
There's nothing else to give

Chorus

Stop the heartache
We can try and start again
In the heartbreak a little time
Would help to ease the pain

Solo

I still see your face
When I close my eyes
If I opened up again
Would you still be here?

Chorus

Chorus
