[Halford/Lachman/Z]

I'm set to paralyze I'm older so I'm wise I have been crucified With words personified

Here I am now, I'm your savior There can be only one I'm the master, past and future Now the end has begun

I've always stood alone Your time got overgrown Those words shot way too wide No hate can take my pride

Here I am now, I'm your savior You can see I'm the one There's no reason for such treason Now your end has begun
