"In A Sense"

Pain pain, go away. Come again another day
when I have the strength to stand up
my heart's been beaten and bruised, enough
Another day, another rejection
One more defeat, for my collection
(CHORUS)
In a sense, it's too late to return to innosense once
you've been exposed
cold blade of heartbreak is cutting deap
road of --- is severing
Road of hope I've never felt so deep
someone please (deliver me)
Once a man of confidense (now the lowest, of all)
once I'm runnin' -- ends
one step forward and, three steps back
just leave me for what I have, don't leave me for what I
lack
(CHORUS)
I heard a man talk of a place where
souls are restored
fresh water, cold breeze, gentle touch
(CHORUS)
but I'm getting there, I'm getting there
