It's coming on lately
and I need to find some time
some time to think
things through
alone in a strange place
I reach out my hand to find
I'm
reaching out to you
and like the rain that comes end
wash away the doubt
yeah I can feel it coming raging
takes me like a storm
love is really
true
the times that I gave in
or even persuaded time
I've been waiting
for a sign
but how can I learn to give
in an unselfish way
when it's
been me from who I hide
and just a chance to find
is all I'm asking for
I won't let you down
I love you girl
you're the only one for me
