You said
Youâ€™d always be around
Lately I see you above the clouds
You said Iâ€™m always playing games
And nothingâ€™s the same anymore
My, you are
Youâ€™ll always be
The girl who loves a man, the way a man should be

I canâ€™ believe
What Iâ€™ve seen
â€™Cause I believe in you
My California girl
You remind me of all the things that were
It doesnâ€™t matter anymore
â€™Cause now youâ€™re a movie star

Tell all the people that youâ€™ve moved on
Tell them that you were loved before by me
We donâ€™t understand each other any more
Youâ€™re always on my mind

I canâ€™ believe
What Iâ€™ve seen
â€™Cause I believe in you
My California girl

She, she
I know she loves
Oh, she
Sheâ€™s just a little crazy
â€™Cause youâ€™re my
Youâ€™ll always be
Youâ€™ll always send a man away
Step all over me

Tell all the people that youâ€™ve moved on
Tell them that you were loved before by me
We donâ€™t understand each other any more
Youâ€™re always on my mind
(repeat 2X)
