Forget the world
The world is a dream
I only live
When you're into me
You are my soul
God only knows
I can't let you go

Do you belong
Do we belong
To one another
You stay
Into my soul
Our days forever
Do you remember

You're my woman
And you're my lady
Someday we'll be falling
In love again

Don't let us crash
Lay close to me
Keep out the thoughts
Just try to breath

Stay in my skin
To my last dying day
I can't let you go

Do you belong
Do we belong
To one another
You stay
Into my soul
Our days forever

You're my woman
And you're my lady
Someday we'll be falling
In love again

Hey Iâ€™ll be falling
Falling
Falling for you and you
You be falling for me
Do you remember
Do you remember

You stay
Into my soul
Our days forever

Youâ€™re my woman
Yes youâ€™re my lady
Someday
Weâ€™ll be falling in love again

Hey Iâ€™ll be falling
Falling for you
And you be falling
For me

I remember
Do you remember love

Why do I feel like
Iâ€™m losing my mind
Why do I feel like
Iâ€™m caught
