And though Iâ€™ve tried to reach you  
And time is closing in on me  
Most of us  
Can carry on as if nothing ever matters  
But I ask you my love  
Will you hold on to me forever?

But when you love me Iâ€™m fine  
So love me just one more time  
â€™Cause when I said, â€œI love youâ€  
Thatâ€™s forever

Do you remember when sunrise meant  
That we should close our eyes  
And words were just obstacles  
Between our helloâ€™s and our goodbyeâ€™s  
And I was your savior  
And you were my queen  
And love was the answer  
To just about everything

But when you love me Iâ€™m fine  
So love me just one more time  
â€™Cause when I said, â€œI love youâ€  
Thatâ€™s forever

Can you take me?  
Take me from this hollow place  
Can you hold me?  
Hold me  
And take away this pain

Iâ€™ll always remember the part  
When youâ€™ll always remind me  
Of the possibilities  
And maybe you and I will re-fall  
Re-tune and find a way

But when you love me Iâ€™m fine  
So love me just one more time  
â€™Cause when I said, â€œI love youâ€  
Thatâ€™s forever

And Iâ€™m trying to reach you

Do you remember my touch  
Like old friends  
And I smile at you  
Then we both start laughing

Now Iâ€™m a man of fortune  
Iâ€™m a man thatâ€™s free  
But life with out you  
Is true poverty

Iâ€™m a man of promise  
My faith aside  
Letâ€™s save ourselves  
To stay alive

But when you love me Iâ€™m fine  
So love me just one more time  
â€™Cause when I said, â€œI love youâ€  
Thatâ€™s forever

Iâ€™ve tried to reach you

Do you remember the first time?  
When I smile at you  
Then we both start laughing  
And I said, â€œIâ€™m a man of fortune, Iâ€™m a man  
thatâ€™s freeâ€  
But life with out you keeps haunting me
