You tell me to be strong
Tell me to be strong
Goodbye ain't no reason to cry
It ain't no big deal

You say I'll get along
Sure I'll get along
You're so nonchalant
That it's unreal

I thought this love'd be all I needed
I thought this love was something to believe in
Now you say sorry babe
Didn't work out that way
But don't let that ruin your day, babe

Don't lose any sleep now babe
It's just my heart you're breaking
It's just my world you're taking, yeahh no
Don't lose any sleep now babe
Just don't you worry about me
Don't you worry babe
I'll be alright

Whoaaaaa

Don't act so concerned
Don't act so concerned
Don't know how much more
Of your kindness that I can bear
Guess I had to learn
I just had to learn
That after all this
You just don't care

But don't let that worry your mind now
I'll be OK
Baby I'll be fine now
It's just that I'm watching my world walking away
Don't let it ruin yor day, babe

Don't lose any sleep now babe
It's just my heart you're breaking
It's just my world your taking, yeah no
Don't lose any sleep now babe
Just don't you worry about me
Don't you worry babe
I'll be alright

Whoa whoa

I thought this love'd be all I needed
I thought this love was something to believe in
Now you say sorry babe
Didn't work out that way
Don't let that ruin your day, babe

[Don't lose any sleep now babe]
Oh

[Don't lose any sleep now babe]
No no no no no no

Don't lose any sleep now babe
It's just my heart you're breaking
It's just my world your taking, yeah no
Don't lose any sleep now babe
Just don't you worry about me
Don't you worry babe
hey yeahh

Don't lose any sleep now babe
It's just my heart you're breaking
It's just my world your taking, yeahhh
Don't lose any sleep now babe
Just don't you worry about me
Don't you worry babe
It's just my heart
[Can't you see it's breaking baby]

Don't lose any sleep now baby
