It's a rainy night and it's over

Tears are gonna fall any minute now.
And I know that it's you I gotta get over

I know I do but I don't know how.

I pretend that I'm in control now

I won't fall apart till I walk away.
And I say to myself you're gonna be stronger

I tell myself it's better this way.

Oh woh
you can't see tears in the rain
no matter how hard you try

You'll never see anything
only the rain in my eyes.
You can't see tears in the rain
so as we're sayin' goodbye

Guess I'll be cryin' in vain
'cause you can't see tears in the rain.

The time has come
I'm letting go now

I put it all behind me and just turn the page.
And I'll make you believe that it don't matter
You'll never see it's all a charade.

Oh woh
you can't see tears in the rain

no matter how hard you try

...

Tears in the rain
oh no
oh woh.

Ah ha
tears in the rain.
'Cause the rain's gonna fall and you won't see my pain
at all.
And the rain comes down I don't wanna go

I see the memories flash before my eyes like a ghost.
I fantasize that there's a glimmer of hope

But it's over
you'll never be the same.
Oh
you can't see the tears in the rain

no matter how hard you try
