Give you all the glory, give you all the praises  
Give you all the glory, you alone deserve it

Hallelujah, hallelujah  
Hallelujah you alone deserve it

Sikunik' inkazimulo, sikunika udumo  
Sikunik' inkazimulo wena ufanelwe

Hallelujah, hallelujah  
Hallelujah wena ufanelwe

Great are you Lord most high you reign forever more  
Great are you Lord most high you rule victoriously...

Hallelujah, hallelujah  
Hallelujah you alone deserve it

We raise our voices to you O'Lord  
We declare that your name is great
