No more room to roam  
I have lost my hope  
Stars have all gone in  
Which way have I been  
I'm too rich to learn  
And far too cold to burn

Gone gone are the days, I cried  
When I could so easily have tried  
Work, work, when instead I laughed  
And nothing now I have

Hoping much too long  
My eyes are not so strong  
I just can not see  
What is right and wrong

Gone gone are the days, I cried  
When I could so easily have tried  
Work, work, when instead I laughed  
And nothing now I have

Ahh... (fade)
