"Infinite Possibilities"

Twenty-one  
Oh his life has just begun  
Got a temper like a gun  
Pointing it at everyone  
That's his game  
And it helps him to get through the day  
Little voice inside him says  
How much longer can I play

He's got Infinite possibilities  
I can see them now  
It's the unbroken chains of his past  
By which he's bound  
He's got Infinite possibilities  
I can feel them now  
If he chooses well,  
Then nothing can tear him down

Peace of mind  
Not easy for him to find  
When he's walking a bitter line  
In a place where another man  
Is keeping his time  
Though he's young  
He's not like everyone  
He sees what he's become  
And he'd rather be standing in the sun

He's got Infinite possibilities,  
I can see them now  
It's the unbroken chains of his past  
From which he's bound  
He's got Infinite possibilities  
I can feel them now  
If he chooses well,  
Then nothing can tear him down

Oooh, oh, oh  
oh, oh-oh-oh

oh, oh-oh-oh Oooooh-ooooh  
oooooo-oooo-oooooh

He's got  
Infinite possibilities,  
I can see them now  
It's the unbroken chains of his past  
From which he's bound  
He's got  
Infinite possibilities  
I can feel them now  
If he chooses well  
Then nothing can tear him down

In-finite possibilities  
I can see them now, I can see  
It's the unbroken chains of his past by which he's bound  
He's got infinite possibilities I can feel them now  
If he chooses well  
Then nothing can tear him down  
In-finite
