I'm a big, big girl  
In a Big Big world  
It's not a big, big thing  
If you leave me  
But I do, do feel  
That I do, do will  
Miss you much  
Miss you so much  
I can see the first leaves falling  
It's all so yellow and nice  
It's so very cold outside  
Like the way I'm feeling inside  
Chorus  
Outside it's now raining  
And tears are falling from my eyes  
Why did it have to happen  
When did it have to happen  
Why did it all have to end

Chorus

Bridge

I have your arms around me  
Warm like fur  
But when I open my eyes You're gone

Chorus
