(verse 1)

Big and small, weak and tall,
we don't wanna walk from the hand that feeds you,
runnin' round, burnin' down,
we're all tryin' to braid in this world that we live in.

All of my life I was waiting for more,
never did I think that this is what's in store,

(chorus)

Cause', we all want to be wise,
we all want to be wise, but nobody,
nobody, wants to, nobody, nobody, wants to
compromise.

(verse 2)

Going strong, all along, but we don't wanna do just
what we're told to,
you stop me in, my broken tracks, what can't we just
finally relax,

when all of my life, I was waiting for more,
never did i think that this is what's in store,

(chorus)

Cause' we all want to be wise,
we all want to be wise, but nobody,
nobody, wants to, nobody, nobody, wants to
compromise.
We all want to be wise, we all want to be wise,
but nobody, nobody, wants to, nobody, nobody, wants
to compromise.

(bridge)
