See how she's flying
soaring through the sky
she don't feel no weight
she don't feel no stain of the world
cause she cant hear you, no

fearless woman,
ooh ooh your heroine
fearless woman,
ooh ooh your heroine
uh..

Wonder where shes been
did she chose this road,
you envy from afar,
cause shes a superstar
she the one, no one can seem to touch

fearless woman,
fearless woman,
ooh ooh your heroine
fearless woman,
ooh ooh your heroine
uh..

shes a fearless woman
yeah shes a fearless woman
shes a fearless woman....
fearless woman ohhhh
ooh ooh your heroine
fearless woman,
ooh ooh your heroine
your heroine, your heroine, your heroine!
