(verse 1)

All my life, I felt like I was something so special,
I wanted more so I pushed myself to the top,
and all my life I waited for something to guide me,
give it time, give it time they say...

not for one second, whoa oo whoa oh
not for one second, whoa oo whoa oh, oh oo

(chorus)

I want more, I want more but I can not ask
you give love, you take love, but you can not last,
not for one second, whoa oo whoa oh
not for one second, whoa oo whoa oh, oh oo, you
know.....

(bah bah, bah bah bah)

(verse 2)

Wandered around through this town
is there anything for me,
Guess I found, what I thought I'd lost,
but all my life I waited for someone to teach me
give it time, give it time they say..

not for one second, whoa oo whoa oh
not for one second, whoa oo whoa oh, oh oo

I want more, I want more but I can not ask
you give love, you take love, but you can not last,
not for one second, whoa oo whoa oh
not for one second, whoa oo whoa oh, oh oo, you
know.....

(bridge)

We will not obey, cause we have gone astray...
oh but they know you, and what do they owe you...
whoa!!!!

whoa oo whoa oh
not for one second, whoa oo whoa oh, oh oo

I want more, I want more but I can not ask
you give love, you take love, but you can not last,
not for one second, whoa oo whoa oh
not for one second, whoa oo whoa oh, oh oo, you
know.....
