(verse 1)

I hate that you're so loud, you cry about nothing,
you act like the world owes you when you, you've done
nothing.

I gave it all I gave it all to you,
cause you were my friend
I thought that you were true, oo oo oo.

(chorus)

oo oo oo

You make me crazy, you make me lazy,
I wanna get on it and let you go,
you're no friend of mine no no no...
You make me crazy, you make me lazy,
I wanna get on it and let you go,
you're no friend of mine no no no, no no no no no!

(verse 2)

You act like the world is so impressed by your talent,
but when I ask for a little more you say you, you don't
have it,
Well...

I gave it all I gave it all to you,
cause you were my friend
I thought that you were true, oo oo oo.

(chorus)

oo oo oo

You make me crazy, you make me lazy,
I wanna get on it and let you go,
you're no friend of mine no no no...
You make me crazy, you make me lazy,
I wanna get on it and let you go,
you're no friend of mine no no no, no no no no no!

(bridge)

I see the light, you're not good enough to fight for.
I don't know why, I have tried so many times before,
you, you're always cryin'
I am always lying to make excuses for you.. ooo, whoa!

(chorus)

oo oo oo

You make me crazy, you make me lazy,

I wanna get on it and let you go,

you're no friend of mine no no no...

You make me crazy, you make me lazy,

I wanna get on it and let you go,

you're no friend of mine no no no, no no no no no!
