(verse 1)

I lay awake
I stay awake thinking bout you (oh yeah)
I close my eyes
wanting to be just as high, as you
I can barely see you now..

(chorus)

To you, to you
up, up, to you....
to you, to you,
up, up, to you....
I wanna fly, I wanna be where you are
I wanna fly, I wanna be where you are

(verse 2)

I feel the way
that it use to be
and it makes me smile (for a little while)
and you aren't so near but now its very clear
that your so high
I can barely see you now..

To you, to you
up, up, to you....
to you, to you,
up, up, to you....
I wanna fly, I wanna be where you are
I wanna fly, I wanna be where you are

(guitar solo)

your so high, I can barely see you anymore,
your so high, I can barely see you anymore,
whoa oo whoa

To you, to you
up, up, to you....
to you, to you,
up, up, to you....
I wanna fly, I wanna be where you are

I wanna fly, I wanna be where you are

to you, to you, up, up to you
to you, to you, up, up to you

to you.....
