In your eyes

All by the glimpse of an eye
Two of a kind we are one
Girl you light up my fire
In the breath of your love,
You're my only desire
All the love that i need
Is in your eyes

In your eyes
I feel loved
In your eyes
In your eyes
I am home

Cause' we are one unified
I feel love so strong
In your eyes
In your eyes
I am home

Eye to an eye
Silent words
Hush, don't you speak
Let us be
Yeah! Girl you light up my fire
In the breath of your love
You're my only desire
All the love that I need
Is in your eyes

In your eyes
I feel loved
In your eyes
In your eyes
I am home

Cause' we are one unified
I feel love so strong
In your eyes

In your eyes
I am home

Yeah!
All the love that I need
Is in your eyes
In your eyes
I feel love
Cause' in your eyes
In your eyes
I am home
Cause we are one, unified
I feel love so strong
In your eyes
In your eyes
I am home

In your eyes
In your eyes
I am home
