Just one step at a time
And closer to destiny
I knew at a glance
There would always be a chance for me
With someone I could live for
Nowhere I would rather be

[Chorus:]
Is your love strong enough
Like a rock in the sea?
Am I asking too much?
Is your love strong enough?

Just one beat of your heart
And stranger than fantasy
I knew from the start
It had to be the place for me
Someone that I would die for
There's no way I could ever leave

[Chorus:]
Is your love strong enough
Like a rock in the sea?
Am I asking too much?
Is your love strong enough?

Is your love strong enough?

Is your love strong enough?
Just one beat of your heart
[x4]

Is your love strong enough?
Just one beat
