Daddy, there were so many things I've wanted to ask  
you before you left  
Daddy, I never even had the time to learn to know you  
as my friend  
But daddy, It's all those lonely nights I've cried  
myself to sleep in my bed  
That's when I prayed to God above to bring my daddy  
home  
Sometimes, life treated us so badly without you daddy  
to dry the tears  
But mama was there to ease away all the pain and all  
the fears  
Daddy, I know up there in heaven you can listen to what  
I'm saying  
I need the answers to all the questions that I'm praying

Why did you leave so soon  
Did you fly on a golden moon  
And was there no words to tell  
Or even just a wishing well  
Mama said you won't be back to stay  
So I got down on my knees and prayed  
And ask the Lord above, to bring my daddy home

Daddy, I really hope you found the peace that you were  
always searching for  
Daddy, I know you'll be waiting there for me, at  
heavens door  
Daddy, I'll be keeping all the memories so safe, here in  
my heart  
Now I ask the Lord above to take my daddy home

Why did you leave so soon  
Did you fly on a golden moon  
And was there no words to tell  
Or even just a wishing well  
Now I know you won't be back to stay  
So I get down on my knees and pray  
And ask the Lord above to take my daddy home  
Now I ask the Lord above to take His angel home
