Come and look out through my window  
That big old moon is shining down  
Tell me now don't it remind you  
Of a blanket on the ground

Remember back when love first found us  
We'd go slipping out of town  
And make love beneath the moonlight  
On a blanket on the ground

[Chorus]  
I'll get a blanket from the bedroom  
And we'll go walking once again  
To that spot down by the river  
Where our sweet love first began  
Just because we are married  
Don't mean we can't sleep around  
So let's walk down through the moonlight  
And lay a blanket on the ground

Oh remember how excited  
We use to get when love was young  
That old moon was my best buddy  
We couldn't wait for night to come

Now you know you still excite me  
I know you love me like I am  
Just once more I wish you'd love me  
On a blanket on the ground

[Chorus]  
I'll get a blanket from the bedroom  
And we'll go walking once again  
To that spot down by the river  
Where our sweet love first began  
Just because we are married  
Don't mean we can't sleep around  
So let's walk down through the moonlight  
And lay a blanket on the ground

Mmm.....
