You packed in the morning I stared out the window and  
I struggled for something to say  
You left in the rain without closing the door  
I didn't stand in your way

Now I miss you more than I've missed you before and I  
Where I'll find comfort God knows  
'Cause you left me just when I needed you most  
Just when I needed you most

Now most every morning I stare out the window and  
I think about where you might be  
I've written you letters I'd like to send  
If you were just send one to me

'Cause I need you more than I needed you before and I  
Where I'll find comfort God knows  
'Cause you left me just when I needed you most  
'Cause you left me just when I needed you most

You packed in the morning I stared out the window and  
I struggled for something to say  
You left in the rain without closing the door  
I didn't stand in your way

Now I love you more than I've loved you before and I  
Where I'll find comfort God knows  
'Cause you left me just when I needed you most  
You left me just when I needed you most  
'Cause you left me just when I needed you most
