I love you so much I can't let you go
And sometimes I think you love me
But somewhere between you're heart and mine
There's a door without any key

[Chorus]
Somewhere between you're heart and mine
There's a window that I can't see through
There's a wall so high it reaches the sky
Somewhere between me and you

Somewhere between you're heart and mine
There's a love I can't understand
It's there for a while then fades like a smile

And I'm left in the middle again

[Chorus x2]
Somewhere between you're heart and mine
There's a window that I can't see through
There's a wall so high it reaches the sky
Somewhere between me and you
