Deep inside i can feel,
our love is real,
deeper than deep.
You've touched my soul
you make me home
just with a kiss

i've been happy before now i
have to close the door
to all my pain
for breath and starting to
open up my heart
let love flow

baby, hold me, touch me,
love me if you can.
hold me, feel me,
make me smile again.

I have to learn again,
have to trust a man
and how to love
don't turn your back at me in times
when it's hard for me
just let it be

and, hold me, touch me,
love me if you can
hold me, feel me,
make me smile again

ooohh
Since the day that i've met you
I think of nothing else
let me know how to love

deeper than deep
deep inside my soul
you can make me home

give me love love

nanananananananananananana(2X)

baby, hold me touch me,
love me if you can.
hold me feel me ,
make me smile again.
