(Chrissie Hynde/Thomas Kelly/William Steinberg) -
reprise des Pretenders

Oh! Why you look so sad?
Tears are in your eyes, come on and come to me now.
Don't be ashamed to cry!
Let me see you through 'cause I've seen the dark side
too.
When the night falls on you, you don't know what to do.
Nothing you confess could make me love you less.

I'll stand by you! I'll stand by you!
Won't let nobody hurt you, I'll stand by you!

So if you're mad, get mad!
Don't hold it all inside, come on and talk to me now.
Hey! What you got to hide? I get angry too, well, I'm a
lot like you!
When you're standing at the crossroads
And don't know which path to choose
Let me come along 'cause even if you're wrong...

I'll stand by you! I'll stand by you!
Won't let nobody hurt you, I'll stand by you!
Oh! Take me in, into your darkest hour
And I'll never desert you! I'll stand by you!

(Guitare solo)

And when, when the night falls on you, baby
You're feeling all alone, you won't be on your own!

I'll stand by you! I'll stand by you!
Won't let nobody hurt you, I'll stand by you!
Oh! Take me in, into your darkest hour!
Won't let nobody hurt you, I'll stand by you! I'll stand by
you!
Won't let nobody hurt you, I'll stand by you! I'll stand by
you!
Won't let nobody hurt you, I'll stand by you! I'll stand by
you!
