Carmen...dreaming in your garden
Carmen...dreams are often broken
You'll lose your chance if you wait
You'll find that you left it too late
You'll find that the moment is gone
You'll be left dreaming on
Carmen...dreaming can be lasting
Carmen...dreaming can be arming
You'll find that the time has been spent
And you won't know where it went
You'll find that the moment is gone
You won't know what went wrong
Caaar...Caaar...Carmen...Caaa Car...Carmen...
