We were laughing in a daydream
With the world beneath our feet
And the sun smiled on the water
Where the skies and the ocean meet

We was a spellbound
Ohh spellbound

We were listening down on the rainbow
As the leaves fell to the ground
Whispering as they tumble
And the wind laughed at the sound
We were spellbound
Ohh spellbound

We were spellbound
Ohh spellbound

We were children in a garden
Where the flowers kiss the sky
And the birds sang out in wonder
As the day went sailing by

We were spellbound
Spellbound
Ohh spellbound
Spellbound
Ohh spellbound
Spellbound
