You won't find me
In the drifting sky
Ohh, oh, oh
The drifting sky

Take your place
In the line to the doorway
It's your place
In the line through the door

You can find me
On the other side
Find me
Other side

You can find me
In the shifting sands
Ohh, oh, oh
The shifting sands

In the heart
Of all this confusion
There may be one
Who touched your life before

You can find me
On the other side
Find me
On the other side

You won't find me
On the battleground
Ohh, oh, oh
The battleground

Just one hour
Is sometimes like a lifetime
Stuck to the past
But there will come a day

When you can find me
On the other side

Find me
Other side
