You left me there
all alone with
noone to talk to
how more upset
could i really get with
noone to hang around with
oooooooooooooooooh

You went right off
with someone else
you left me like a fool
watching people
run about
wishing they'll let me
join in to
buuuuuuuuuuuut

you left me there
all alone with
noone to talk to
how more upset
could i really get with
noone to hang around with
oooooooooooooooooh

i found a friend
someone new that
you looked at weirdly
she looked at you
you looked at her
i stared into your eyes
you were very angry so

you left me there
all alone with
noone to talk to
how more upset
could i really get with
noone to hang around with
hang around with.
