(Verse)

I never thought that I could get so much,
I guess its a way I went wrong.
Cause every time I fetch a simple touch,
It wasnt true, baby, I didnt know.

(Pre-Chorus)

Where do we go now that Im part of
Of all this drama for you.
Baby, cause you never told me how youre feeling
I know your secrets because its hard for me, too.

(Chorus)

Cause Im done waiting for love
I waited here for you
Show me your love,
Cause I gave my all for you.
Been waiting around,
Theres nothing left to lose if we,
If we agree on goodbye.

(Verse)

Its getting heavy trying to let this go
Because Im damage holding arm.
Cause every time you wanna cross my mind
Its obvious, baby, what went wrong.

(Pre-Chorus)

Where do we go now that Im part of
Of all this drama for you.
Baby, cause you never told me how youre feeling
I know your secrets because its hard for me, too.

(Chorus)

Cause Im done waiting for love
I waited here for you
Show me your love,
Cause I gave my all for you.
Been waiting around,
Theres nothing left to lose if we,
If we agree on goodbye.

(Bridge)

You're making my heart break,
Oh, you're making my heart break.
Oh, the hardest words I ever had to say,
Good bye, bye, bye, baby.

(Chorus)

Cause I'm done waiting around
I waited here for you
Show me your love,
Cause I gave my all for you.
Been waiting around,
There's nothing left to lose if we,
If we agree on goodbye.
