Come on baby

Baby, I gotta ask you  
Do you wanna dance because I'm in the mood  
I've been watchin' from across the room  
The way you're moving, I could get into you

Tonight is the night I wanna dance with you  
My heart is beating faster than I want it to  
'Cause the music is right and the groove starts to move  
Can I find a way to get down with you, oh yeah

Put your hand in mine, yeah, let me look into your eyes  
Let's not waste any time, girl  
'Cause this feeling's so strong that I can't deny

Baby, I gotta ask you  
Do you wanna dance because I'm in the mood  
I've been watchin' from across the room  
The way you're moving, I could get into you

I look in your eyes and my world starts to shake  
Intoxicating me with every move you make  
Come and get down with your favorite tune  
I feel the need to get with you soon

Ooh, you're looking so fine, yeah  
And I'm liking the way that you move  
Girl, you're making me high  
And there's nothing I wouldn't do to you so

Baby, I gotta ask you  
Do you wanna dance because I'm in the mood  
I've been watchin' from across the room  
The way you're moving, I could get into you

Baby, I gotta ask you  
Do you wanna dance because I'm in the mood  
I've been watchin' from across the room  
The way you're moving, I could get into you

So what you wanna do, do you wanna dance

So what you gonna do, do you wanna get down  
So what you wanna do, do you wanna dance  
So what you gonna do, do you wanna get down

Get down on it, girl, I love the way you move, baby  
Get down on it, girl, I gotta dance with you  
Get down on it, girl, I love the way you slide  
Get down on it, now, won't you dance with me tonight

Baby, I gotta ask you  
Do you wanna dance because I'm in the mood  
I've been watchin' from across the room  
The way you're moving, I could get into you

Baby, I gotta ask you  
Do you wanna dance because I'm in the mood  
I've been watchin' from across the room  
The way you're moving, I could get into you
