Some say that I'm professional
'Cause I know how to handle mine
Be still, be cool and wait awhile
And I'll show you what some say is right

Now, don't get the wrong impression
I don't do this all of the time
But when I see you, all I wanna do
Is make you call my name by the candlelight

Don't stop the love if the speaker's blown
Even if we ain't alone, I am into you
Don't stop the love if it feels good
Just like I knew it would, I am into you

Don't stop the love if the phone rings
I'll do anything, I am into you
Don't stop the love for anything
I'll do everything, I am into you

Some people like to talk a lot
About what they say they can do
But I wanna be the first
To sit you down, show and prove

Now, don't get the idea
I don't do just anyone
But when I see you, all I wanna do
Is make sweet love 'til the morning sun, baby

Don't stop the love if the speaker's blown
Even if we ain't alone, I am into you
Don't stop the love if it feels good
Just like I knew it would, I am into you

Don't stop the love if the phone rings
I'll do anything, I am into you
Don't stop the love for anything
I'll do everything, I am into you

Just relax and let me do my job
If this is a full time, baby, I'm never taking off

As long as you're here by my side

Don't stop the love if the speaker's blown
Even if we ain't alone, I am into you
Don't stop the love if it feels good
Just like I knew it would, I am into you

Don't stop the love if the phone rings
I'll do anything, I am into you
Don't stop the love for anything
I'll do everything, I am into you
