Dreaming of you, dreaming every day  
And every night of my life  
But someone else is holding you tight  
So, I'll see you in my dreams, girl

Have you ever wanted someone so bad  
That you didn't care if they had  
Any idea how you feel?  
'Cause your dreams are so real

Please, help me to understand this feeling  
I'm dreaming, your body so appealing  
You're committed to someone else  
But here in my mind, I have you all to myself

Dreaming of you, dreaming every day  
And every night of my life  
But someone else is holding you tight  
So, I'll see you in my dreams, girl

I know how your lips taste  
And feel though I've never kissed them for real  
So I find myself drifted away  
To my secret place

Please, help me understand this feeling  
I'm dreaming, your body so appealing  
You're committed to someone else  
But here in my mind, I'll have you all to myself

Dreaming of you, dreaming every day  
And every night of my life  
But someone else is holding you tight  
So, I'll see you in my dreams, girl

Dreaming of you, dreaming every day  
And every night of my life  
But someone else is holding you tight  
So, I'll see you in my dreams, girl

Now, I lay me down to sleep  
I pray the Lord, you're in my dreams

But you're committed to someone else  
In my mind, I'll have you all to myself

Dreaming of you, dreaming every day  
And every night of my life  
But someone else is holding you tight  
So, I'll see you in my dreams, girl

Dreaming of you, dreaming every day  
And every night of my life  
But someone else is holding you tight  
So, I'll see you in my dreams, girl
