Hey yeah
Now here's a story
One we both know
About two people
When they lost their self control
If we're not careful it might be you and me
When things are good
You gotta let them be, oh
Why you wanna play me around
Why you wanna mess with this love that we've found
Why you wanna tear us apart
If you're trying to break my heart
You better give it up, give it up
'cause i am not gonna take anymore
Yeah my heart has made mistakes like this before
If you don't start treating me right
I'm gonna give it up, give it up, give it up
Starting with tonight
Oh baby, oh yeah
Starting with tonight
I'm gonna make it right, oh yeah
Why you wanna play with me
Play me around, oh baby calm down
